What's the difference between the Simple Present and the Present Progressive?

**Simple Present**
- always true
- general statement of fact
- everyday activities
- habits

**Present Progressive**
- temporary
- started in the past
- happening at the moment of speaking
- will probably end at some point in the future

Exercise 3, p. 14

Example:
I usually start the coffee pot before I take a shower.
Right now, everyone is looking at me.
President Obama is working on the US health care system.

Exercise 4, p. 14

Examples:
- The earth's climate gets warmer every year.
- Hybrid cars are still too expensive for most people.
- Trees not only make the world more beautiful, they also remove carbon dioxide from the air.
Non-Progressive Verbs AKA Stative Verbs

Most verbs show action. In the progressive form, they are actions in progress at a particular time.

Some verbs aren't actions! These verbs can’t be progressive! = non-progressive or stative

Some verbs have two different meanings and can be both an action verb and a stative verb.

Can you think of some verbs for each category? Write sentences with the verbs that can be both.

<table>
<thead>
<tr>

You are being foolish.
You are loud.
You are being loud.
I'm sitting on a beach facing the Mediterranean Ocean. I am alone -- there is no one on the beach as far as I can see in either direction. I'm laying on the hot sand and I feel the warm sun on my face. I'm watching the waves come in and go out. I hear the seagulls. I am drinking cold water. Whenever I get too hot, I walk to the water and dip my feet. The water is cold. I see small fish. They are swimming around my feet and biting my toes.

Where are you?
What is the weather like?
Where are you sitting or standing?
Who is with you?
What do you see? hear? feel?
How do you feel?
1. You are smelling good.

2. The sun appears every morning.

3. That vegetable smells spicy.

Chart 2.7 - 2.8: Simple Past VS. Past Progressive

**Simple Past**
- began and ended at a particular time in the past

**Rita stood under a tree when it began to rain.**

**Past Progressive**
- used with the simple past to show that once action began earlier and was in progress when the other action occurred

**Rita was standing under the tree when it began to rain.**

**Past Progressive**
- can be used in both parts of the sentence to show that two actions are in progress at the same time.

**While Rita was waiting for the rain to stop, she was thinking about what to buy at the store.**

**Watch Wallace & Gromit. Describe the action using the past simple and progressive.**
